

## PROFILE

I am a highly motivated, disciplined, and hardworking Junior Full Stack Web Developer with a strong passion for modern web technologies. I successfully completed a 9-month intensive Full Stack Development program at Cyber Academy and earned a diploma, gaining practical experience in both frontend and backend development. I am dedicated to building responsive, clean, and user-friendly web applications while continuously improving my technical and problem-solving skills. I am eager to join a professional team where I can contribute effectively, grow, and continue developing my career in web development.
